Feature Description

Summary:	Addition of new field to describe the most recent update to the profile.		
Description:	This new field describes the most recent update to a profile. All fields in the database are placed into a category (see Legal Values below), where category 1 has the greatest importance and category 4 has the lowest. For any update where multiple fields are changed, the update has the UPDATE CATEGORY of the highest priority (i.e. a change to Title and Keyword in a profile would have a UPDATE CATEGORY of C2)		
Legal Values:	Value	Description
